Andhra Pradesh, India

PROFESSIONAL SUMMARY

Computer Science undergraduate and fresher with hands-on experience in designing and developing scalable web applications using Python, Django, React.js, and PostgreSQL. Skilled in building REST APIs, backend automation systems, and database-driven applications through academic and personal projects. Strong problem-solving ability with **250+ DSA problems solved**, project deployment experience, and solid software development fundamentals.

TECHNICAL SKILLS

Languages: Python, JavaScript, C
Frameworks: Django, React.js
Databases: PostgreSQL
Tools: Git, GitHub, Postman, Redis, Celery, VS Code
Core CS: Data Structures & Algorithms, DBMS, Operating Systems, OOP, Computer Networks
AI Concepts: Machine Learning Fundamentals, Data Preprocessing, Model Evaluation, Feature Engineering, NLP (Basics)

ACHIEVEMENTS

- Solved 250+ DSA problems across LeetCode and CodeChef
- Maintained CGPA of 9.8/10
- Completed structured DSA training program by GradsKey

PROJECTS

AI Resume Screening Automation System <i>Python, Django, PostgreSQL, Celery, Redis, pdfplumber</i> - Built automated recruiter workflow system for resume screening and candidate ranking - Developed PDF parsing pipeline for extracting structured candidate information - Developed candidate ranking engine for automated resume-job skill matching - Integrated Celery and Redis for asynchronous background task processing - Designed secure recruiter dashboard with candidate analytics and workflow tracking	2026
Personal Expense Tracker <i>React.js, HTML5, CSS3, JavaScript</i> Live Demo Source Code - Collaborated in a team to develop and deploy a responsive expense management application - Developed frontend interfaces for expense tracking and transaction management - Designed reusable React components for improved responsiveness and user experience - Integrated frontend modules with backend APIs for real-time data interaction - Built dashboard visualizations for expense analysis and spending insights	2025

CERTIFICATIONS

- Cambridge Linguaskill Certification (CEFR B1)

LEADERSHIP

- Served as Group Captain, demonstrating leadership and team coordination

EDUCATION

KL University B.Tech in Computer Science Engineering CGPA: 9.83/10	2023 – 2027
Narayana IIT College Intermediate – 90%	2021 – 2023
Narayana School Percentage – 99%	2020 – 2021
